MISS PENNY ELDER'S PROFILE

Penny has been in the aquatic industry for over 35 years. Prior to becoming a swim teacher she was a Swimmer, reaching Australian Championship level.

After school in Hobart, Penny qualified in nursing, however her passion for swimming lead her to swim coaching during the summer and nursing over the winter months at the Wesley Hospital. After running Wishart pool for 12 years, Penny became Assistant Coach to Olympic Coach for Kieren Perkins and Hayley Lewis, this followed by leasing Dysart Council pool with her husband, Marcus. They have two children, Ruby 19, studying at UQ and Charlie 17, finishing year 12, plus one brown Labrador and seven guinea pigs and YES we definitely plan to stay in the bay.

SCHOOL SWIMMING VS. AFTER SCHOOL LESSONS

Why book in for lessons when my child is having school swimming lessons this term?

School swimming lessons are a fantastic way to compliment your lessons you have after school but NOT replace them.

School swimming programs at ELDER'S are Nationally R.L.S.S. accredited which focus on a generic program with limited specific stroke correction catering for large classes. Generally the school class sizes range from 7 to 10 swimmers depending on ability hence practice time is limited.

COMMUNICATION

Communication is a high priority at ELDER'S. This is done through EMAIL, FACEBOOK and the COMMUNICATION BOOK at reception.

SUPERVISION - Running & Screaming

For the benefit of your child's learning, our teachers teaching and more accidents occurring (hitting heads on tables and concrete) could you please supervise children running around and screaming .

As per signs this is a quiet area, please consider the teachers, swimmers and other parents. Some suggestions, bring games, toys, books and snacks.

CHANGE OF CLASS REQUEST FORMS

If your child is changing

- A. days or times
- B. moving from an infant class to their own (around 3 years of age)
- C. sibling moving to kingfish or squad

Then we require a **REQUEST CHANGE FORM** by the **Saturday September 8th**.

Early forms with deposits receive 1st preference. School children shall be given first preference to afternoon classes. These forms must be returned as early as possible.

Generally swimmers do not change classes unless requested as each child is taught/challenged at their own level within a class. Skill levels are increased within the class so swimmers are not disrupted and constantly changing teachers and times.

MAKE UP POLICY

NO REFUNDS or CREDITS for classes missed.

Courtesy call required BEFORE

8am for the morning classes and 2pm for afternoon classes.

Please leave message on answering machine.

Forgotten courtesy call or late calls will **NOT QUALIFY** for a make-up class.

We require this call so your child can get a make up and still maintain the smallest classes in the bay. Thank you for your understanding.

All make-ups (including public holiday make-ups) must be made up this term with the exception of a medical certificate (Certificate can carry over one term).
